Deutsche Asset Management lists additional ETFs on Mexican Stock Exchange

Deutsche Asset Management (Deutsche AM) today expanded the list of its exchange-traded funds (ETFs) offered on the Mexican Stock Exchange.

“As a global asset manager with 10 years in the ETFs space, Deutsche AM is always looking for ways to provide investors efficient access to worldwide markets through strategies that best fit their investment needs,” said Salvador Gomez, Head of Passive Asset Management for Latin America.

The global Passive Asset Management business forms a key pillar of Deutsche AM's overall client offering. With a global footprint, expansive product offering, and with the group-wide expertise and financial strength of one of the world's leading investment firms behind it, Deutsche AM's global Passive Asset Management division is a leading provider of beta, beta plus and strategic beta investment products, strategies and solutions.

This communication shall not be deemed an offer to purchase securities of any ETF that is not registered in the relevant jurisdiction.
